P.S. KEEP BOOGYING '82.

To:
Cindy, Janette, Sandra and Lisa, Denise and Diane, and Liz and Teresa, Lori and Donna, Paula and Sherry, Pam, Dawn, Lisa, Sandy and Mary;

Our year is all over
how quickly it went.
And now in our minds
is the time that we've spent.
We've been through a lot
And it's been kind of rough
But remember the good
And forget the bad stuff.
You're all very special
And I'm glad I was here
to know you like sisters
And be your leader this year.
All the places we've gone,
All the things that we've done,
It's been lots of work
but it's been lots of fun.
It started with camp
our very first performance,
With that first place behind us
we had more work before us.
Rehearsing the field show
before school with the band,
We went to all the football games
And always froze in the stands
Those long, hot parades
sometimes 2 miles in length,
to carry that banner
took all of our strength.
We stayed after school
And worked really hard.
Then our field season ended
And we began Winterguard.
We made up a routine
to the song Hooked on Classics
And our first time
competing,
We looked kind of spastic.
With a little more work
We improved a whole lot.
We have trophies to
prove it
And believe it or not,
We could have won more
At least that's what I think
If our uniforms would
have been
skin tight and pink!
To twelve competitions
We did faithfully ride
And we showed other
schools
that Western has pride.
Now this year is over,
A new one begins,
It's time to start over
And make some new
friends.
I'm sure that this year
will bring more memories
still.
That we'll all cherish
dearly
When we're over the hill.

Love,
Janelle

All right! I'll sign! Anyway, this year has really been fun. I mean that. I'm glad Terry told me who you were at the Homecoming Game. Up until then, all I knew of you was that you would yell "Hey Vito" from halfway across campus, But who cares? Always remember Terry and the chainsaw (rrrrroarrr) at Silverado Days. Yup, good ole Pee Wee Wee Myers, I'm also glad you asked me to the Sadie Hawkins Dance. I had a lot of fun. I hope you did too! I'm just sorry I wasn't the greatest date. I'm really glad we got to be friends, and I'm sure we'll stay friends. Stay exactly as you are, you're a sweetheart. Keep in touch (827-7348 / 827-3635). Have a great life Vita. You're a fantastic person.

Love always,

Leo.

Lisa,

I'm really glad we've been friends since good ol L.P. I can't believe we're graduating, it seems like just yesterday we were in Mr. Grace's choir! I wish you the best of luck in everything you do

Leo,
Happy to say that we are somewhat friends after all. Lots of luck in all you do.

Well Kid, It's so hard to start. I don't know where to begin. I know that we've had our differences in the past years but somehow we became so close & we've forgot about everything that has happened. I still can't believe Im actually going to be Colorguard Captain for 82-83. I know it will be great. Im so glad we became close friends. You are really a great person to know. Remember our weekend together? We had lots of fun, Huh? I can't really say goodbye because Ill see you during the summer & all next year. SORRY ABOUT THE PEN. We've had so many fun times together. I know I'll never forget the times we had. Don't worry, we'll have many more during the summer after practice & stuff like that. THANKS LISA for being there when I had all those problems with my dad & also putting up with my latest gossip about Mike. When he comes out next week I'll bring him over to introduce you to him. LISA he's such a great guy. You'll really like Him. I can't wait to go to Magic Mountain. It is going to be great. Im really glad you met Steve. I think he is a great guy. You guys make a super great couple. Don't worry about Eric. You'll always feel something for him. Eventually you'll forget about him, but not totally. LISA, If you ever need anything you just let me know. Im here anytime you need a shoulder to cry on. Or just need someone to talk to & go out & party or something. Lis, Don't ever forget me. OKAY? Well hun, I hope your years at Western were not that bad. You probably did have some great times without me, but well make up the ones I missed. So sweets Im running out of room to write & what to say. Just have many many great years ahead of you. Best of luck in your future. I love ya.

Mrs. Nystrom, we the students, honor you
For being our teacher and friend too.
You have a place in all our hearts,
And we will always remember you when we part.
We will always cherish what you taught,
Not the subject, but something much more meaningful,
That cannot be sold or bought.
You are always willing to help us out,
We believe in you with no doubts.
You are a credit to your profession,
Because with your teaching you show affection.
You are always understanding, and you are
Quick to laugh.
You try to keep your temper,
Even when we're bad.
You never turn your back on our generations way of thinking.
And memories of you are always worth keeping,
We will remember all your funny cracks,
And who can forget your ELTIPIAC ATTACKS!
We will remember all the stories you tell.
Mrs. Nystrom, you taught us very well.
We will always remember your devotion to our school.
And we all want to thank you,
Mrs. Nystrom for just being you.

The time has come to leave behind
The precious memories of Western High.
The smiles and laughter we all shared.
The finding of friends who really cared.
The pride we all felt for our great school.
The excitment, the goodtimes, and just playing it cool.
The thrill of victory, the sorrow of defeat.
And all those challenges we had to meet.
The unity we had, we felt as one, the parties, the games, and all the fun.
And as we graduate from the big white and blue.
WE will always know that Western will forever shine with the Spirit of **82.**

WELL WEIRDO, THIS IS THE TIME OF YEAR I HAVEN'T BEEN LOOKING FORWARD TO BECAUSE THIS IS GOODBYE AND I DON'T WANT TO SAY THAT. THERE HAVE BEEN A LOT OF THINGS WE'VE GONE THROUGH + TALKED ABOUT AND THINGS I'LL NEVER EVER FORGET, AS LONG AS I LIVE! THE VERY FIRST TALK WE HAD AT PRACTICE, YOU WERE UPSET ABOUT DREW + ERIC AND OTHER PEOPLE + I WANTED TO BECOME SUPER CLOSE FRIENDS WITH YOU, AND I GUESS IT WORKED. THERE'S SOMETHING REALLY SPECIAL YOU GAVE ME THAT WILL STAY WITH ME FOREVER (JUST LIKE OUR FRIENDSHIP) HIS NAME IS ERVID. HE WILL ALWAYS REMIND ME OF THE TWO GUYS WE STILL LOVE + ALWAYS WILL, ERIC + DAVID. BOY, THAT MONKEY HAS HEARD A LOT OF PROBLEMS OF MINE + YOURS. WE OFTEN TALK ABOUT YOU AND ITS ALL GOOD. MAN WE GAVE UP 5½ HOURS OF OUR LIFE TO SIT AND WAIT FOR ME. ERIC BERGKVIST THAT WEIRDO! WHAT ELSE HAVE WE DONE. PORTABLE POTTY ☺ MAN, THERE'S SO MUCH TO REMEMBER + I HOPE YOU ALWAYS DO BECAUSE I ALWAYS WILL NO MATTER WHERE I GO IN LIFE. TO THE TOP OR TO THE LOWLIFE. YOU'LL ALWAYS MEAN THE SAME TO ME. WOULD IT BE A PITY TO LOSE ME? I HOPE SO!! YOU'VE PROBABLY GOT A LOT PLANNED FOR YOUR FUTURE AND I WOULD LIKE TO BE THE FRIEND BY YOUR SIDE TO HELP SEE YOU THRU IT ALL. EVERYBODY NEEDS SOMEBODY TO HAVE FOR A FRIEND. MAN, I CANT BELIEVE THIS DAY IS FINALLY HERE, YOUR SENIOR YEAR IS OVER I'M GETTING OLDER, FRIENDS ARE CHANGING, LIFE REALLY IS GETTING HARD. I GUESS GOD IS TESTING US, TO SEE IF WE CAN MAKE IT OR NOT, AND WE CAN MAKE IT! JUST AS LONG AS WE'VE GOT A GOOD HEAD ON OUR SHOULDERS AND CAN MAKE IT AND TRUST EACH OTHER LIFE WILL ALMOST BE A BREEZE YOU KNOW! HO HUM, NOW ABOUT GUYS. WE CAN'T LIVE WITH THEM + WE CAN'T LIVE WITHOUT THEM. ONE DAY WE'RE GOING TO HAVE THE GUYS WE DESERVE AND OUR PRINCE CHARMINGS WILL COME GALLOPING INTO OUR HEARTS. (IF THAT DREAM WILL ONLY COME TRUE) AND FOR ME IF ITS SOMEONE ELSE BESIDES D.B. YOU'LL BE THE FIRST TO KNOW. I PROMISE. DEEP IN OUR HEARTS EACH OF US KNOW WHO WE REALLY LOVE (I KNOW WHO YOU LOVE, YOU CAN'T FOOL ME FOR ONE SECOND!) WELL ANYWAY, THATS LIFE. YOU KNOW SOMETHING PAL, I REALLY LUCKED OUT BY BECOMING SUCH GOOD FRIENDS WITH YOU, YOU'VE REALLY MADE MY JUNIOR YEAR A LOT EASIER, AND I SHALL NEVER REPLACE YOU WITH ANYONE THATS LITERALLY IMPOSSIBLE TO DO BECAUSE I LOVE YOU + I ALWAYS WILL. LETS CONTINUE THIS SPECIAL FRIENDSHIP WE HAVE AND IF SOMETHING SHOULD GO WRONG ALONG THE WAY LETS MEND IT BEFORE IT DESTROYS US OKAY? LISA, YOU'RE VERY SPECIAL TO ME PLEASE REMEMEMBER THAT FOR THE REST OF YOUR LIFE. I'M HERE, YOU CAN TRUST ME WITH ANYTHING OF YOURS SERIOUS OR NOT SERIOUS, YOUR CLOTHES, YOUR DREAMS, YOUR SECRETS, YOUR AMBITIONS, YOUR MEMORIES, YOUR SMILE, YOUR FAMILY ANYTHING YOU NEED, YOU GOT IT FROM ME. Underclassmen

Lisa,

What can I say, we have had our arguments and differences, but we still managed to stay frens. I hope that life treats you good and that you get the best of it. Im so glad that we got the chance to become frens. I wont forget the time we went to the beach. "Porta Potty" We have had some fun times like the several cute guys out the back of the bus. Im going to miss not having you along, but I still can give your number to someone. Not the cute one, he is going to be mine. Ha, Ha! Oh how competitions are going to be without you in them. You better be there. I hope you find the right guy that can make you happy and treat you the best. I hope we can have alot of times together. Dont forget our song "Open Arms" and the big truck coming head on. "Burn Rubber" aniff! aniff! Oh how the memories go on and on. That party was alot of fun. im so happy that you could come. Jodi Hawkins was a blast for me I dont know about you but I thought it was cute how you brought Leo to his door. How sweet, but i still wont understand you. I had alot of problem and you were always there to help me and understand now I felt. Thank you for being the shoulder I can cry on. If you ever need anyone you need to talk to. I will always be here, I will never forget you because I love ya lots. Please take care of yourself. Dont forget me, sometime when you are looking at this, think of me and call me up. I hope we can always be the best of frens, and nothing can ever come between our friendship. It means alot to me. Camp was alot of fun. I wont forget when you gave me the keys and Jonelle left because we were bugging her, Corina had her head on the chairs. Oh memories. We both have hot tempers but we both have a friendship, stubborn! I love you alot and you will always be in my heart and memories. Thank you for finally giving me a picture. It was about time. I was getting tired of waiting for you. You turkey!

FROM Junior high to highschool WE finally made that Final step. All the memories that we share All the secrets that we kept. And Now As graduation is out of the way, its time to look back on all those yesterdays

THE MEMORIES of the heartaches and tears, And the first day of school and how SCARED WE WERE. THE INSECURE SOPHMORE who blossomed into the too-hip-got-to-go juniors to the Awsome seniors, it just seems like a blurr. The PARTYS WE went to and had so much fun, and the GIRLS SPORTS & WRESTLING WERE NUMBER ONE & And The JOURNEY CONCERT, what A BLAST we had, The DANCING and the SINGING in TRAILERS, hand in hand the ROCK'N - And the ROLLIN' to the NUMBER one BAND! The friendship we SHARED with EACH OTHER, and we were ALWAYS willing to help one another. Now it seems As times is slippin' THROUGH OUR HANDS, and if we had to do it all over we would AGAIN! THANKS to all our friends who SHARED the good times And the GRIEF. The times we had together Now seem all so mild And Now its time to SAY good by to all the memories of WESTERN HI, LETS NOT FRET OR CRY, JUST SMILE AS WE ALL WALK-BYE.

Remember Bobby McGEES?, And ALL the memories? It was Fun and volleyball is #1!!! Love '82

Jerry our Buddy, We miss you!

I never came to you, my freind, And went away with out some new enrichment of the heart; More faith, and less doubt, More courage for the days ahead, And often in great need Coming to you I went away comforted indeed. How can I find the shining words, The glowing phrase that tells, All that your love has meant to me, All that your friendship spells? There is no word or phrase for you On whom I so depend. All I can say to you Is this: GOD BLESS YOU PRECIOUS FRIENDS! KAT

hi Cutie

by: Terry Myers &
Alex Kiyabu...

Such a pleasure to see
too good looking to rate
for those who all know me
I am Alex The Great.
But along came another
with hair red and redder
one just like a brother
my friend, Terry The Better.
Now, the next lines you read are not of my ink
only Terry The Better could write such a stink.
To the little rug-rats we leave behind,
you're going to miss our young perverted minds.
You guys are underclassmen, so we couldn't be nice,
we'll pity the ones that we had to sacrifice.
You got in our ways and made us late,
so we stomped & squished most of you at any rate.
To the "Great" Alex, whose words are in refrain,
his foolishness in yearbooks will forever remain.
So from Terry and Alex, pals to the end,
to all our close friends, a few words we do send;
Our rhyme may be off and our rhythem bad too,
but caring for you friend, this feeling is true.
Goodbye Western from our class, class '82.

our thanks for your support

Dear Readers,

The year was rough, and the staff thought we would never see the end; but we survived. We imposed a great deal of time and effort into making this book satisfactory to you. We sincerely hope you have enjoyed it. We had help from many people and genuinely appreciated it. Recognition went to **Ms. Parkinson** and her art students, **Larry Ortega, Tong Park,** and **Candi Kleis** for their artwork throughout the book. **Mr. Christian** and his fine photo students, **Phillip Ybarra, Rafe Williams** and **Susie Meyers,** for their immediate photography services. The sports section had assistance from all coaches, but especially **Mrs. Sammon, Ms. Gregory, Coach Packard, Coach Cullum** and **Mr. Butterfield.** All of **Mrs. Boyd's reading classes** merited special thanks for their patience at our deadline times. Also, when we needed advice from experienced yearbook writers, **Dee Dee Miller, David Lyons** or **Karen Hendrix** were there. **Mrs. Boyd's family,** too, were much obliged for their tolerance with her many hours away from home. **Mrs. Cambell** needed a special thanks also, for having kept us financially balanced. Most of all, the staff and I would like to thank you, the reader, for your interest in the book.

Thanks to Everyone

Seniors Cherished Their Memories

It was a great year for **Western High School Seniors.** The year started out slowly, but before we knew it we were practicing for the graduation ceremony. Then all the long awaited moments were at the present, and we proudly walked down the aisle to receive our diploma.

1. Our class ring design.
2. We faithfully sang this at all the games and assemblies.
3. Kenny Shimogawa asked Karen Mercier, "What are you doing after graduation?"
4. Laurie Tranburg and Darrell New goofed around in their graduation garb.
5. Our long awaited award.
6. Snoopy??
7. Alec Jackson had fun walking to class.
8. Kim Smith and Scott Halstenburg took off.
9. Steve Brunt was one of our many handsome senior guys.
10. Wendy Neu waved to her peers.
11. Carolyn Gunn and Joanne Litchenburger said "We're going to class."
12. Todd Smith was shocked at the shutter.

Lisa,
We've been through three schools together and are still friends. I'm really happy about that. I wish we would have talked more though. I hope you accomplish everything you go for in the coming years. You deserve it. I wish we could have traveled life together there at Western. But circumstances went against it. Good luck in everything and God bless and keep you always.

Lisa,
I cant believe this year is over, it seems like yesterday when we were working on the camp routine & going to camp. Thats the first time I saw Eric with his pretty earing. we havent been very close in the past, but now I feel so close to you. You are the only one who seems to understand me & my feelings about things, especially Jim. I am so glad you & Steve got together. He is flipped over you & you guys make the cutest couple. Ill never forget the prom it was so fun. I bet we looked pretty hot in those cars huh. Especially with our "Homer" boyfriends. Dont worry about me & Jim. Even though we fight alot now I dont think we could live without each other. The four of us have to spend alot of time together since Jim is leaving. Ill never forget Jim pouring the ---- in your hair & you sitting there crackin up. we've had a lot of fun together lately & I hope we always will cuz I kinda like you. You are very special to me You were the first person I told when Jim spent the night the first time & that we were promised. Its fun sharing things like that with you cuz you get just as happy as me. we had a great year in colorguard one Ill never forget. we had some hard times but mostly good. I hope we can become even better friends in the future & I hope you find happiness in whatever you do. Im not going to say good-bye cuz I know Ill be seeing alot of you this summer & next year. Lets all go to the beach alot & get really tan & we can look at all the guys Just as long as we dont touch. But what Jim & Steve dont know wont hurt them. As soon as I get my pictures from the prom Ill bring them over. I LOVE YOU! Tree

Tisa, (Connie)

Well woman here we are at the end of our school days. 3 years we've still remained friends and I'm just sorry we didn't remained as close as we were 3 years ago. But you're still as special to me & even though I never show it. I love ya so much because even through all the changes I've went through, you've never turned your back on me. I know you had disappointments in me but as I look now - you're still there Tisa, anyone who can take all that you've taken from me has got to really be someone who cares. Thanks so much for everything and I mean everything. Although I've had some pretty hard times in Juvi & Edgewood I just want you to know that I'm really grateful for all that you & your mother put up with me. You both really backed me up, gave me extra chances & just really believed in me. I love ya both so much for it. Tisa even though to the end of school for us lets not let it be the end of friendship for us. We can still be as close as we once were & even closer. Thats why I'm going to Arizona - to change! (for the best) So lets keep in touch & we'll be united again. Well I can't believe how fast our Senior year has gone by & I haven't even gotten Senorita yet. Bummer! Oh well I'll just have to make up for all I've missed in the next week or so. huh?

SAVED for Louise

Well
woman, we've
been through some
pretty "different"
times together. Good
-Bad- Sad & even CRAZY
times & we've always made
it through them together. Seriously
I wonder how you're still here for
me when I've been such a "Bernard"
lately. I'm glad we had 6th period
together this year because I feel that if we didn't
our friendship would of been totally gone but it's
must be God's will for us to be good friends. I'll
never forget all the fun times we've had in Band &
colorguard, all those 2½ years. But most of all I'll
never forget "Canada" Remember us running down the
halls remember ice fights, pillow fights etc." Believe
me Lisa, I'll never forget our friendship because it
will always be special to me even though I never
show it alot. Thanks for everything!! Please
Keep in touch after I leave to arizona! Good
luck in future years to come & take care!!
God Bless
ya!!
